

SANTAS SATNAV

CHRISTMAS SNOW DUET

Santa Claus Is Here

I am a retired officer from the London (UK) Metropolitan Police, who, on leaving the Force, found fulfillment in writing - in particular verse and songs/song lyrics - and has had recognition in the publication of both".

Peter Dymond (Mark's friend) writes: I am the co writer, with Keith Drewett and Marcie Summers, of "Santa Claus Is Here", and as I was uploading Mark's songs for him I thought I would include this one too, if that's alright. Thank you for the opportunity of giving our songs a wider audience, and, hopefully, adding to the joy of Christmas!!
