

Chloë March Biography

Chloë March is a British Singer-Songwriter and Producer. A pianist with a gorgeous voice and a deft way with words, she creates shimmering soundscapes and dream-pop reveries. Her latest album 'Divining' was inspired by water and took three years to write, record and produce. 'Snow Kiss' is her first Christmas song: 'I wanted it to sound romantic and lush and twinkling with the bells and high piano, but to also have a hint of melancholy and a chilled-out, late-afternoon-with-candles-alight feel to it!'
